

# DO YOU HAVE ANY *GROUP* BOOKING REQUIREMENTS?

## WOULD YOU LIKE TO PUT A *GROUP BOOKING TOGETHER?*

Why not call our dedicated Group Bookings Department to discuss your requirements? We take pleasure in providing tailor made holidays in Britain or Europe by coach, or perhaps you'd just like to go on one of the many holidays we already offer?

You may have a sports & social club, local association, probus club, a client with a group of friends, or just want to try and put something together to sell from your local area yourself.

Whether it's a week by the sea or a short city break, a flower show or a wine tasting tour, or anything in between, then we can help.
